COULD YOU JOIN OUR POWERPOINT PRESENTATION

TEAM? We have different gifts with which we are able to serve our Lord and his Church. Perhaps one of yours is in the technology or computer areas. We are in the process of assembling a team to prepare our service orders and many hands make light work. Gunnar has done this work by himself for quite some time now and we thank him very much for this, but now it is time to spread the load. We would love to be able to have a team of 6-8 so that this job doesn't become burdensome. You would be on a roster and have plenty of people to swap with if things get busy or you will be away. It is hoped service details can be provided at least a week before so that preparation doesn't become pressured. If you are able to serve in this way please email Pastor at steickem@bigpond.net.au with the words 'Power point preparation team' as the subject header. Gunnar is prepared to provide an initial short workshop for coaching purposes.
